

\$620,388 - 2113, 2117 81 Street Sw, Calgary

MLS® #A2235315

\$620,388

2 Bedroom, 2.00 Bathroom, 1,100 sqft
Residential on 0.00 Acres

Springbank Hill, Calgary, Alberta

The Whitney is an impeccably designed boutique condo building, situated in the esteemed Aspen Park/Springbank Hill area. Your new home graces one of the finest locations, nestled beside a protected environmental reserve (ravine) that winds through the community, offering extensive recreational walking paths. The Whitney boasts stunning mountain, prairie, and community vistas, with Aspen Landing just a 5-minute stroll away and Downtown a quick 10-minute drive. Your new 2 bed/2 bath Broadway unit offers 1161 sq.ft. of architectural measurement (1100 sq.ft. RMS measurement) of living space, inclusive of en-suite laundry, open concept living, a large patio, air-conditioning, titled underground parking, luxury vinyl plank flooring, quartz counters, custom cabinetry, designer tile, and stainless appliances.

Developed by Cove Properties, one of Calgary's most respected multifamily builders known for their dedication to quality craftsmanship, The Whitney is now 95 percent sold out. Only four units remain, ranging from 600 square foot one-bedroom homes to 1,200 square foot two-bedroom plus den layouts. RMS measurements are based on architectural drawings, with final legal plan and property taxes yet to be confirmed. An annual HOA fee is anticipated, though not yet finalized. Tentative project completion is set for fall 2025. Please note that all photos shown

are from Cove Properties' previous show suites and are intended to illustrate the level of interior finishes that can be expected at The Whitney. Current available units have already had their interior finish selections chosen. This is a limited opportunity to own in one of Calgary's most desirable southwest communities. Contact your agent today to arrange a visit to our sales centre, located in the 16 West showhome in northwest Calgary. Our team will walk you through the remaining inventory, available locations, standard and upgrade specifications, and answer any questions you may have.

Built in 2025
